THE VENUE

Yes, we know you are curious about the hall plan and all the other things. So here we go!

ENTRY FOR ATHLETES + REGISTRATION

The Tipsport arena has many entrances, marked by numbers. So look for the right one :)

For the registration please use entrance #31, the same for the athletes to get in.

Please send your coach (the one, who is named in all documents) to the registrations for accreditation. Club will get accreditation for both days, for all teams.

Saturday - senior - blue

Sunday - junior - yellow

Because of the safety instructions one athlete is allowed to bring only 1,5 liter bottle of water or other drink per day to venue. Athletes will get some promotion water - ISOLINE and there will be opportunity to buy some drinks. We are sorry for the complications - but safety first!

VISITORS' ENTRANCE

We have a special entrance for your fans - tell them to use **entrances #27 and #28**. Entrance #26 is ready for the visitors who already have been to the venue, left the building and need to get back.

WHEN YOU ARE INSIDE

Depository

If you will carry with you big things as bags, umbrellas, stroller etc., you can store it in our depository. You will find it close to registration.

Navigation

You will need to know at least two Czech worlds during your stay in our country :-). We will make the navigation in English, but if you learn EAST - VÝCHOD and WEST - ZÁPAD, navigation thru the hall will be way easier for you and your team. :-)

Wifi

We know that it is important to stay connected with your friends, but we want you and your fans in the hall to enjoy every moment - right there - right now :) so we are sorry, there won't be a wifi in the venue. There will be live streaming so your fans at home can see your team compete.

PARKING

You've already received info about parking in previous Bulletin. But we want you to know that you will need Czech crowns to pay for it. So make sure you have coins with you. There is 15 minutes for free for loading and unloading competitors in front of the venue.

SECURITY

A security company called ČECHYMEN will take care about your safety - please listen to their instructions.

PLAN OF VENUE

Black square - dance floor (12x12m)

Blue square - cheer floor (14x14m)

Orange "squares" - some of the changing rooms.

Another changing rooms are situated at the first floor at the WEST - ZÁPAD tribune (not in the picture).

Changing rooms

Warning - in some of the rooms are showers available - in case you use shower as a place to change and store your stuff the organizer is not responsible for any wet clothes and personal belongings. We recomend to take with you extended electricity plug with multiple use. There is not enough mirrors in the venue.

Athletes

- As you know, it's illegal to have piercing - so be ready for piercing check.
- We want everything to be legal, even the result - so there will be doping tests - the committee can choose any athlete at any time.
